CANADIAN PAY IT FORWARD January 2018

I would like to participate in the SGU Canadian Pay It Forward initiative for January 2018. If I enroll in the St. George's University Doctor of Medicine program for the January 2018 term and subsequently get an acceptance and enroll in a Canadian or United States allopathic Doctor of Medicine program in the fall of 2018, SGU will refund the cost of SGU tuition and administrative fees only. The refund will be issued once SGU is provided with documentation that I have enrolled at a Canadian or US Doctor of Medicine program in fall 2018.

I understand and acknowledge that I will not receive any refund of any amounts paid for housing, books or other charges and that any refund issued will first go to repayment of any outstanding loans I have taken out to finance my SGU expenses.
