Program Description

St. George's University (SGU) has instituted one hundred (100) scholarships to be awarded over the next ten (10) years. This decade of scholarships is designed to celebrate educational development in the Caribbean region.

This program seeks to make tertiary education possible for some of the region's top scholars who might otherwise be unable to attend university. Recipients, who must be CARICOM citizens, will be able to utilize these full and partial tuition scholarships in order to pursue one of the undergraduate degrees within the School of Arts and Sciences at SGU. The Visionary Scholarships are designed to complement the need-based Caribbean Undergraduate Scholarship Program (CUSP) already offered by the University.

Award determinations are made by the Visionary Scholarship Committee based primarily on academic excellence and the student's commitment to the chosen discipline. We seek to nurture and encourage more students of superior academic caliber to strike out and impact the Caribbean.
