WHITE COAT CEREMONY

Each term, a **White Coat Ceremony** is held for first-term students in the **School of Medicine**. This ceremony marks entry into the noble profession of medicine. Students should dress professionally (as if going to the hospital or a job interview) and bring a shirt, tie, and trousers, or a dress for this occasion.

Please note that in Grenada, the ceremony dates coincide with **Beyond Spice Family Weekend**. Families are able to take advantage of all that Family Weekend has to offer without missing the event that marks their students' entry into the medical profession.

A live broadcast will be available via SGU's **Facebook** page for those who are unable to attend their loved one's White Coat Ceremony. An archived recording will be also be available via **YouTube**.

SGU alumni who wish to coat their family member at the White Coat Ceremony should notify familyweekend@sgu.edu and provide your full name and graduation year, as well as your family member's full name and his/her current academic program. Coating honors are reserved for SGU alumni.
