ADMITTED STUDENT CHECKLIST

There are many details to remember as you count down to the beginning of your exciting new educational journey. This checklist will help you keep track of the details you need to complete during the enrollment process.

WELCOME SESSIONS
We host Welcome Sessions in a few cities for accepted students. Please visit our Accepted Students page to reserve your spot at one of our upcoming sessions!

ORIENTATION
We require all students to attend a mandatory Orientation, which includes activities designed to give you the best springboard for success.

☐ 12. Review individual travel requirements
☐ 13. Enroll in or waive SGU-sponsored health insurance
☐ 14. Return health forms
☐ 15. Register your computer
☐ 16. Apply for accommodations due to a disability (optional)
☐ 17. Hug your loved ones, fly to Grenada, attend orientation, and take the next step in your career!

1. ACCEPT OR DECLINE YOUR OFFER OF ADMISSION
Please submit your signed Acknowledgment of Admission along with your admission deposit. Receipt of this deposit initiates the enrollment process and facilitates access to your student accounts.

2. SEND DEPOSIT
All deposits must be paid in USD. Acceptable forms of payment include bank wire, money order, and personal check. Consult the payment schedule in your acceptance packet for further details.

3. CONFIRM THAT ALL OFFICIAL CREDENTIALS HAVE BEEN RECEIVED
Remember to submit all outstanding academic transcripts and required examination scores to your admission counselor. Please note that a ‘hold’ is put on your account until all final documents are submitted.

4. RETURN FINANCIAL STATEMENT
Please submit the financial statement form as proof of finances for your medical education. This form is required for non-US and Canadian students only.

5. SGU EMAIL AND ACCESS TO SELF-SERVICE
Your deposit will trigger the creation of an SGU email account and credentials for you to join the University’s portal, Carenage, which contains the University’s Course Management System and your Student Self-Service account.

6. REGISTER FOR HOUSING
Visit the Housing Portal to make your choice on housing for the upcoming term. The Office of Admission will send you an email with the link to the Housing Portal when it is available.

7. BOOK FLIGHT
Please provide your flight details to your admission counselor so that a SGU representative can meet you at the airport. The Accepted Students site is a good starting point to obtain some travel information on Grenada.

8. RETURN HONOR CODE
All students joining the SGU community are bound by the University’s Honor Code. This code must be downloaded, printed, physically signed by you (electronic signatures not accepted), scanned, and emailed back to your Admission Counselor. This must be done for you to pre-register for courses.
9. COMPLETE ENTERING STUDENT QUESTIONNAIRE
   Click here to select the program you are entering this term or visit the Accepted Students site.

10. CONFIRM RECEIPT OF IMMIGRATION LETTER (NOT APPLICABLE FOR KBT PROGRAM IN THE UK)
    You will need an immigration letter to enter Grenada, which you can obtain once all of your matriculation forms have been completed. Please keep this letter and your acceptance letter in your carry-on luggage when traveling.

11. CONSULT YOUR FINANCIAL AID COUNSELOR
    If you are planning on utilizing financial assistance for your course of study, please review the financing options for your program and follow the instructions for making timely applications for loans and/or scholarships.

12. REVIEW INDIVIDUAL TRAVEL REQUIREMENTS
    If you require a travel visa through US, UK, or elsewhere en route to Grenada, please ask your admission counselor for a letter of support.

13. ENROLL IN OR WAIVE SGU-SPONSORED HEALTH INSURANCE
    All SGU students must maintain continuous and adequate health insurance during their matriculation at the University. Entering students must either enroll in—or waive—the SGU-sponsored student health insurance plan. Information regarding the insurance plan and the procedures can be found in the University’s portal, Carenage, under Health Insurance. The enrollment or waiver must be documented prior to registration check in.

14. RETURN HEALTH FORMS
    Students in the School of Medicine (SOM) and School of Veterinary Medicine (SVM) will receive health forms from Susan Conway, RN, Director of Student Health Records, within the first week of being accepted and deposited. If you have not received your health forms within a week of your acceptance and deposit, please email sconway@sgu.edu. Both SOM and SVM health forms are to be completed, scanned, and emailed to termonehealthforms@sgu.edu.

    Students entering the School of Arts and Sciences (SAS) are to turn in their health forms during the registration period on campus. SAS health forms are processed and kept in the Office of Admission in Grenada.

15. REGISTER YOUR COMPUTER
    A laptop computer is a necessity in today’s academic programs. SGU has moved to a computerized examination process, so it has become imperative for students in the MD, DVM, and graduate programs to have a notebook computer. This computer must:
    • Conform with the University minimum standards requirements.
    • Be registered in order to access the campus network.
    • Be registered with Grenada customs or UK customs in order for the University to cover the duty required on electronic equipment.

16. APPLY FOR ACCOMMODATIONS DUE TO A DISABILITY (OPTIONAL)
    Students seeking accommodations for disabilities are required to contact Student Accessibility and Accommodation Services located in the Dean of Students Office (DOS). We highly recommend applying for accommodations as early as possible. Completing and submitting the form, along with the associated comprehensive documentation, at least one month before classes begin will allow for a more efficient and timely consideration of your request. If we do not receive the required documentation in a timely fashion, an eligibility determination may not be made, and accommodations may not be granted, prior to the commencement of classes and examinations.

    Requests should be submitted via email to the SAAS Office at dosaa@sgu.edu. Visit sgu.edu/saas for the full list of requirements.

17. HUG YOUR LOVED ONES, FLY TO GRENADE, ATTEND ORIENTATION, AND BEGIN YOUR CAREER IN MEDICINE!

See you at Orientation!
