

ST. GEORGE'S UNIVERSITY

Student Health Requirements

All students (new and transfer), entering St. George's University must submit a completed health form and required tests and vaccines prior to first-term registration.

The following documentation is required as a condition of matriculation and must be kept up-to-date:

For MD Students

- History / Physical exam within 6 months prior to registration
- Tuberculosis Skin Test (TB) - TB Screening within 6 months prior to registration
- Tdap (Tetanus, Diphtheria Acellular Pertussis) - Proof of Tdap specific vaccine received within 5 years prior to registration
- Measles, Mumps and Rubella (MMR): Serum IgG titers for Measles, Mumps, Rubella and Varicella are required
 - Any non immune results require additional vaccine(s) as indicated
 - Copy of personal immunization record should be submitted
- Completion of the Hepatitis B series (3 vaccines)
 - Students must complete the first 2 vaccines prior to registration
 - The 3rd vaccine may be completed at the Student Health Center on campus
 - Students must have completed a Hepatitis b surface antibody test upon completion of the 3 vaccinations; alternately, a student may provide evidence of a positive Hepatitis b Core antibody test (if appropriate)
- Meningococcal Meningitis Vaccine
 - Students may review information regarding this vaccine at www.cdc.gov/vaccines/vpd/mening/index.html
 - Students must submit proof that they have received the meningococcal vaccine prior to 1st term registration
 - Completed health form to be submitted to the designated Term One email account in the following manner:
 - Scan health form and all supporting documents into PDF files and email to: TermOneHealthForms@sgu.edu
 - Do not send any health documents to your Admission Counselor or other SGU representative
- If a student has any questions related to completion of the health form, not answered in the informational memo sent to students, please email Susan Conway, RN at sconway@sgu.edu
- Completed health form to be submitted to Susan Conway, RN, MBA, Student Health Record Department, using one of the following methods:
 - Scan into PDF files and email sconway@sgu.edu
 - Fax: 1-631-969-5873
 - Mail (copy): Susan Conway, RN
